Profile

Motivated and detail-oriented Frontend Developer with 3+ years of experience creating responsive, user-friendly web applications. Passionate about clean, maintainable code and developing high-performance websites that enhance user experience. Adept at working in collaborative teams, solving problems, and delivering solutions within tight deadlines.

Objective

Seeking a position as a Frontend Developer where I can apply my expertise in JavaScript, React, and CSS to build dynamic, interactive web applications. I am eager to join a forward-thinking company where I can grow and contribute to exciting projects that push the boundaries of user interface design.
